

第 5 講 a dog's life

A: Do you think I should study medicine?

B: Sure. You'll make a lot of money, but remember you'll have to work hard at medical school. It's *a dog's life*, studying every day for years!

A: That's all right. I don't mind being uncomfortable for a few years, if it will make me comfortable later.

Highlight of the Day : a dog's life

(a) A: Alex is leaving his wife.

B: I'm not surprised! He has had a dog's life since he got married.
His wife is lazy and made him do all the work in their house.

(b) He lost his house and his job after the big earthquake. All his family
have led a dog's life since then.

(c) People in Cambodia led a dog's life in those years.
