Can you lend me a pen?

A. CONVERSATION

W: Can you lend me a pen?

M: Sure. Here you go. Why would you want a pen when we're flying?

W: Oh, I want to fill the landing card beforehand.

M: Oh, you are not an American citizen?

W: Yeah, I'm from Taiwan. American citizens don't have to fill in these cards right?

M: Indeed. Since I have my green card, I don't have to do this

W: How can I get one?

M: Well, I think it would be easier for you to just fill the cards than think about that.
