

Unit

20

I enjoy the city

A. CONVERSATION

W: I heard you came from the countryside?

M: Yes, this is the first time I'm in a city.

W: How do you like it?

M: I enjoy the city and all its hustle and bustle, although I miss the quiet nights back (at) home.

W: I guess that is right. The city can be noisy.

M: Maybe someday I can take you to the countryside, I'm sure you will love it.

W: That sounds great.
