There is someone at the door

A. CONVERSATION

W: Let's take a break. We have a long day tomorrow.

M: Hold on, there is someone at the door. I will check it out.

W: Who is it?

M: It's nothing, just the housekeeping. She is returning something we dropped at the lobby.
Is this bag yours?

W: Yes! I've been looking everywhere for it!

M: It's a good thing that the maid remembers the bag from your room.

W: Yes, I will have to thank her personally afterwards.
