We'll be able to buy this after payday

A. CONVERSATION

M: There's no point in shopping today. It's near the end of the month and we don't have enough on us to buy anything.

W: Have you not heard of "window-shopping"? Besides, if we see something we really like, we can wait until next month and we'll be able to buy it after payday.

M: Wow, let us not get ahead of ourselves here.

W: Are you coming or not? I could always go alone.

M: Fine, whatever you say
