

Speaking Test 32

A EXERCISE • 實戰演練**Topic: Taipei City.**

Taipei, the capital city of the Republic of China, is the biggest city in Taiwan. It's also the political, economic, and cultural center. Located in the northern part of the island, Taipei City is surrounded by the Yangming Mountains and the Central Mountains. The city has a population of about 2.6 million. The Taipei metropolitan area (along with New Taipei City and its other neighbor Keelung City) has a population of over 7 million.

Taipei is an amazing modern city and has so much to offer: historical attractions, museums, shopping malls, as well as modern coffee houses, and fantastic night markets and nightlife. It has something for everyone.

B LANGUAGE FOCUS • 學習焦點**be located + preposition + place**

- *Our office is located in the center of the town.*
