Topic: Taiwanese popcorn chicken and deep-fried chicken cutlets

Among Taiwan's famous street foods, Taiwanese Popcorn chicken and the fried chicken cutlet are the most popular. They can be found at almost every night market and casual eatery.

Let's talk about Taiwanese popcorn chicken first. Also called salty crispy chicken, Taiwanese popcorn chicken is a super crunchy and flavorful snack. It's little bite-sized pieces of chicken coated in starch and deep-fried until golden brown. Salt and pepper seasoning is added and garnished with deep-fried basil leaves.

Unlike the small-sized popcorn chicken, the fried chicken cutlet is huge. It is made with boneless breast meat, coated in batter and deep-fried till golden. Salt, pepper, and other spices are added to the cutlet to give it an extra flavor.
