Unit 2

A EXERCISE • 實戰演練

Uji, the picturesque city in Kyoto Prefecture, is in for a peaceful day of weather with clear skies and pleasant conditions.

As the sun rises, it will light up cloudless skies, offering sunshine throughout the day. Daytime temperatures are forecasted to reach around 72°F (22°C), creating an inviting atmosphere for outdoor activities and sightseeing.

Winds will remain gentle and hardly noticeable as you explore the historic temples and beautiful landscapes that Uji is renowned for. Humidity levels are expected to be moderate, contributing to the overall comfort.
