

# Unit 67 Let's do a quick round of introductions

## A CONVERSATION • 實用對話

Good morning, everyone. Before we get into today's agenda, why don't we do a quick icebreaker to get everyone feeling comfortable? Just to start us off, I'd like to ask everyone to share their name, role, and one key update from your department. Let's do a quick round of introductions, just so we can put faces to names. This will help us work more effectively together during the meeting. I'll start first, and then we'll go around the table.
